

## Absolute mobility and ease of work

Protect your **RIPACK®** gun with the **gas cylinder cart**

**Ideal to hold and carry the gas cylinder safely, this accessory offers portability in conformity with industrial insurance requirements.**

**The gas cylinder cart increases the operator's productivity thanks to a greater ease in working.**

### Sturdy construction

- Epoxy painted metal tube
- quick release nylon restraining strap (chains on ref. 932)
- the guiding mast **protects** the hose from wear due to friction
- **stability** ensured by big wheels (+ one leading wheel and brake on ref. 932)
- Supplied in flat packaging and **easy** to assemble.

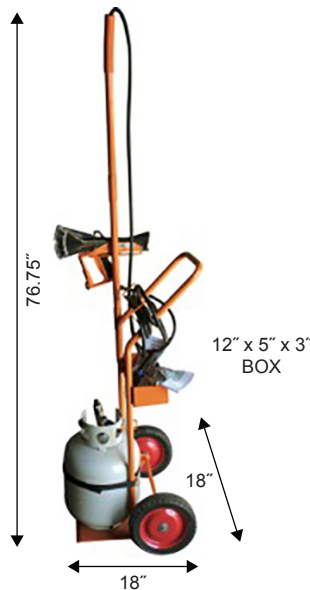

Increased **lifespan** of the **heat gun**, the **hose** and the **pressure regulator** thanks to the various hook supports.

Model 936 V.03 has a **utility tray** to carry essentials such as tools, gloves, safety glasses, etc.
